Noisless Typewriter Co.

October 1st, 1919.

Noiseless Typewriter Company,  
132 West 42nd Street,  
New York.

Dear Sirs:-

At your convenience I would be very glad to have one of your agents call with one of your noiseless typewriters. Our needs require a machine fitted for library work - typing cards, &c. If you will have your representative telephone making an appointment with me it will possibly save him inconvenience.

Yours very truly,

Secretary.
